Ref: Patent "Wedge with Push Rod  
and Handle"  
Appl.# 10/700,269

Dear Commissioner:

I have typed the patent in mixed case as requested in your notice of incomplete reply.

I have re typed page 4 of the claims to conform to 37CFR paragraph 1.75i related to indentions<sup>at</sup>. I have not changed the claim numbers or the original intent of the claims. I have deleted several sentences because they were not significant to claims. They were only descriptive of their usefulness.

The only drawing was given a page number,(1/1).

The original notice given me was 7/27/2004.

The application was mailed on 10/30/2003 with a check number 405 for \$385.00.

The back side of the drawing has my name, phone number and application number on it.

Sincerely,

Thomas J. Mazzone

I hope these corrections are accepted. Thank you.

Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number.
